**Dos Gringo's Comments:**

MENU SHOWN IS A SAMPLING

So very relaxing and casual - you can just kick back on the sandy beach and enjoy fresh local seafood in a natural setting. Located behind 'El Fish Fritanga Taco Bar' and down next to the lagoon, it's easy to miss if you don't know it's there. With lovely views, friendly service, marina access (they can cook your catch), childrens play area, modest prices, it's the kind of place everyone will enjoy! Go check it out for lunch or dinner.
