Dos Gringo's Comments:

MENU SHOWN IS A SAMPLING

Located on the southern part of the island, Navio's is a casual, pleasant escape from the commercialism of Cancun. Situated in a virtually undeveloped part of the lagoon, providing a perfect setting for a delicious lunch or dinner. The palapa-topped main dining area is on the water and the pier has four private 'huts' over the water for a unique dining experience. Open air, beautiful sunsets, live music (Thur.&Fri.) and candelights after dark - oh so tropical and romantic!
