Dos Gringo's Comments:

MENU SHOWN IS A SAMPLING

Igniting passion among patrons, it's no wonder locals and tourists both flock here. The water-side building is a tribute to the restored Puerto Madero of Buenos Aires, Argentina, and perfectly balances the use of dark woods, brick & glass. The charcoal grill enhances the unique flavor of Prime meats and a variety of seafood. Classy ambience with a yacht club atmosphere. Super service & lovely views from the terrace make for a fine dining experience.
